PRELIMINARY AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Prior to examination, please amend the above-referenced application as follows:

IN THE CLAIMS:

1. (Amended) A method of performing a pre-paid electronic-commerce transaction for a user having a personal identification number (PIN), the method comprising the steps of:

- receiving a request for goods or services from the user and creating a transaction instance;
- retrieving account information relating to the user's PIN, including the user's remaining balance;
- determining whether or not the transaction can take place as a function of the user's remaining balance;
- proceeding with the transaction and servicing the request if the user's account is sufficiently funded;
- [generating an unrated service data record;]
- calculating the purchase price of the requested goods or services [based upon the service data record]; and
